1. Review Nominations for Community and Staff Representative
   LSAT will vote on the community representative over email, so that the candidate can participate in the September 20th meeting. Nominees include: Elizabeth Nelson and Charles Moore.

2. Select Co-chairs and Secretary
   Amber Gove was select as the parent Co-Chair. A staff Co-Chair will be selected at the September meeting. David Anspacher and Susan Wall were selected as Co-Secretary's.

3. Enrollment Updates
   Principal Albert-Garvey indicated that enrollment is currently below the 400 student target by about 10 – 12 students. Enrollment is officially recorded on October 5, 2016 and is likely to reach about 392 students. DCPS staffing models are built on increments of 50 students, so a consequence of missing the 400 student target may be a loss of staff in the 2017-2018 school year. The five-year projection for Maury is 530 students.

4. Identify and Discuss 2016-2017 School Year and LSAT priorities
   Principal Albert-Garvey reviewed the (Partnership for Assessment of Readiness for College and Careers) PARCC exam results for the 2015-2016 school year. While she had expected a drop in from 2014-2015 results, the results were similar. Principal Albert-Garvey will provide a one-page summary, similar to the attached results for the 2014-2015 school year. She also reviewed PARCC results at other schools and how well Maury met its goals for 2015-2016.
