## Executive Board Update

---

**PTA Elections:** Tanya Meyers, PTA Vice President, announced PTA Executive Board elections for the 2020-2021 school year. At the May 21<sup>st</sup> PTA meeting, the PTA membership will be voting for a new President, Treasurer, and Parliamentarian, as Shannon von Felden's (President), Patrick McGeehan (Treasurer), and Sarah Hais' (Parliamentarian) terms are up. Candidate nominations are due by April 23<sup>rd</sup>. The new Board members will begin their two-year terms in June. The President presides over all meetings and is the PTA representative on the Maury Local School Advisory Team (LSAT). The Treasurer is the custodian of the PTA financial accounts. The parliamentarian administers Board elections and must have a fair and impartial mind and attitude. You can nominate yourself or another PTA member [here](#). Please contact Sarah Hais with any questions about the Board positions or the upcoming election (sarah.hais@gmail.com).

**Treasurer's Update:** Patrick McGeehan, Treasurer, announced that he will be selecting a date (likely, Wednesday, March 18<sup>th</sup>) to conduct a review of the PTA's books and will invite all interested parties to help with the review. The door will be open to anyone who would like to review how the books are handled or have questions. Shannon and Patrick met with a certified public accountant (CPA) last week and the Board is considering bringing him on in some capacity to help the PTA Treasurer next year. The Board is considering whether we have the funds to hire the accountant for about 1-3 hours a week.

## Principal's Update

---

Principal Payne Chauvenet provided a summary of the proposed DCPS budget for Maury. The proposed budget provides Maury about an 8 percent increase and provides additional staff for a 4<sup>th</sup> Kindergarten and 1<sup>st</sup> grade classrooms. The proposed budget does not provide funds for a 4<sup>th</sup> second grade class, however, the current 1<sup>st</sup> grade class is quite large. If enrollment is high enough, DCPS likely will fund a fourth 2<sup>nd</sup> grade classroom. Principal Payne-Chauvenet is encouraging current 1<sup>st</sup> grade families to reenroll as soon as possible, as the higher the enrollment is before the end of the current school year, the better chance we have that DCPS will allocate a fourth teacher. Please keep an eye out for instructions from the Principal about reenrolling for the 2020-2021 school year. The proposed budget provides full funding for Think Tank. Although the World Languages position will be optional for schools next school year, Maury will retain its Chinese program. Estimated enrollment for next school year is 492. By late March, the school will have a more official budget, although, it will not be final until approved by the Council.
