

Specials

Specials classes are mostly asynchronous during virtual learning, but teachers will host live office hours and sessions periodically throughout the term. We will continue to work on learning more about the features in Canvas that will enhance specials and all classes to make the learner experience tech-friendly. Live sessions will be listed on the homeroom teacher’s schedule during the afternoon blocks. Early childhood students will have rotating specials teachers during virtual instruction starting with library. Lessons and assignments will be posted in Canvas for Kindergarten through 5th grade according to the schedule below:

	Monday	Tuesday	Wednesday	Thursday	Friday
PK3–PK4	Library, PE and Music will rotate during Term 1—Schedules will vary.				
K–Grade 2	PE	Music	Library*	PE	Music
Grades 3–5	PE	Art	Chinese PE Library*	Art	Chinese

For library, Ms. Marks will post digital citizenship lessons for the first six weeks of school. Students will have a week to complete the library activities, but the work is not graded.
