## Committee and Teacher Announcements

---

**Maury at the Market Committee.** Liz Lyons announced that Maury at the Market raised a whopping \$79,000! A total of \$35,000 of this amount was from sponsorships, and all items were bid on. People who bid on parties should be hearing from the hosts of those parties soon about plans for scheduling or holding off on scheduling those parties.

## Exec Board Update

---

**Ross Kyle, PTA President,** kicked off the meeting thanking Patrick McGeehan and Shannon von Felden for their service on the Board and thanking the Maury at the Market team for their hard work.

**Vote on the Proposed School Year 2020-2021 Budget.** Ross called a voice vote on the proposed SY2020-2021 budget, noting that we expect to vote on an amendment to the budget in September when there is more clarity about which events we will be able to hold next school year and in light of the success of Maury at the Market. All votes were in favor of the proposed budget. The proposed budget was approved.

## Principal's Update

---

**Principal Payne-Chauvenet** directed PTA members to her weekly email for information about Maury's longstanding efforts on equity. For summer learning, she mentioned there are still spaces available in some of the DCPS programs, which she also highlighted in her weekly email. For enrollment, we continue to get closer to the 490 students estimated to enroll this fall. Currently, about 390 students are enrolled so we have a way to go to ensure all students expected to enroll are enrolled in advance of the new school year.

Although it is unclear what learning will look like in the fall, this month, DCPS has been doing a lot of prep work for the fall, mostly focusing on how to do virtual learning better.

Principal Payne-Chauvenet also announced that Maury was recently nominated for a Blue Ribbon award at the start of the pandemic. She commended the staff for all of their hard work to make this nomination possible.
