## Exec Board Update

BUDGET

Main Business: Approve Budget as shared in May. AL notes that the May operation results did not materially change our financial position, so the assumptions that went into

preparation of the budget in May are still true. Move to approve, Richard Parker. George Blackman second. No opposition. Unanimously approved by yeas.

RK notes that he hopes that additional revenue will come in over the next school year so some of the cuts can be restored.

## Principal's Update

### PRINCIPAL UPDATES ON NEXT YEAR ETC

No school June 18 due to new national holiday; PC emailed the school community to let them know.

PC emphasizes that students should re-enroll if they haven't yet, so they have their seats locked in. As well, students need to turn in devices so they can be re-imaged; they could be reacquired during summer school –just want to get ahead of maintenance.

PC also thanks Ms. Griffin. "She's just a super, super awesome rockstar AP lady, and I couldn't have a better AP partner for the last 3 years."

PC encourages families to enjoy our summer and off the screens if we can. "We will work with your children however they come to us in the fall," she said. "Make it a relaxing family time." Also expresses appreciation for the Maury family, hanging tough. "Thank you for hanging with us for quite a ride. I appreciate it."

*When will class lists go out?*

In response to a question from RK, PC says: Expected window to receive class lists is from late July to early August. This year there will be home/park visits from teachers. The info is not released earlier because of late add/drops to registration. At this time, it is not clear who is formally withdrawing due to the tricky year, so want to be sure all lists are as final as possible before they go out.

## In Other Business

---

### VOLUNTEER

RK plugs our need for parent volunteers, including for a fundraising chair especially. Bake sale, yard sale, Maury at the Market! So much to do. He thanks those who have volunteered

and will send out an email letting everyone know where the need is and giving an idea of the roles.

## OPEN FLOOR

George Blackman wants to know if a meeting schedule before school year, as well as expected events. RK said we will put what we know re: PTA meetings and school events on the Maury website, website calendar and list serv over the summer.
